THE TOTAL SOLUTION SYSTEM FOR YOUR BUSINESS

OPTIMUM TRADING MANAGEMENT

Optimum Trading Management ERP is a document driven total solution designed and developed to manage all types of Wholesale and Retail businesses. It can adapt to all types of trading businesses simply by configuring its parameters.

Optimum offers the most effective bilingual ERP solution to the first-time user as well as to companies wishing to upgrade their existing total solution systems while availing themselves of the latest technological advancements.

Optimum caters to all Wholesale and Retail businesses such as Fast Moving Consumer Goods (FMCG), hospitality, fashion, electronics, etc. With its powerful parameterization, Optimum can easily fit into any trading business type.

Optimum products can be implemented as stand-alone modules or as a full suite of modules (ERP). Further to this Optimum can also be implemented with limited or full functionalities of any module.

Optimum has earned the reputation of one of the best ERP solutions provider in the Middle East within a short period of time. The product is Microsoft Certified for Windows Server.
